EXPERIENCE

Event Team Lead at IoT club | VIT, Bhopal

July 2022 – Sept 2023

- Organized and managed multiple successful technical events, including workshops, hackathons, and seminars, ensuring high participation and engagement.
- Led a team by delegating tasks, overseeing event logistics, and implementing effective crowd management strategies for smooth execution.
- Collaborated with faculty and industry experts to enhance event quality, mentor junior members, and foster a culture of innovation within the club.

PROJECTS

Online Food Delivery App

August 2023

- Led the development of a user-friendly online food delivery app, enhancing accessibility and convenience for customers.
- Focused on improving the ordering process, ensuring seamless navigation and efficient food delivery services.
- Emphasized customer satisfaction by incorporating intuitive features for easy menu browsing, order tracking, and secure transactions.

Email Application

April 2023

- Developed the "Streamlined Email Communication App" to enhance communication efficiency and organization.
- Designed to improve user experience by simplifying email management, ensuring quick access to important messages.
- Aimed at increasing productivity by integrating features that facilitate seamless communication and better message handling.
